

****NEW & IMPROVED****

DRAIN-LAX

Non-Acid, Drain Cleaner and Maintainer. Industrial Strength, 5 Times More Powerful than Household Products. Use in Sinks, Floor Drains, Shower Stalls and AC Condensate Drain Lines.

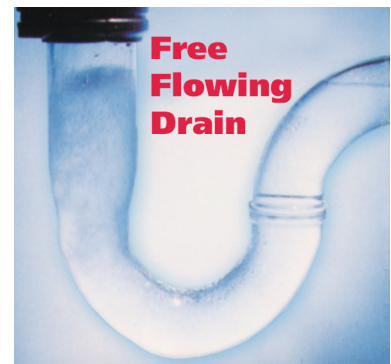

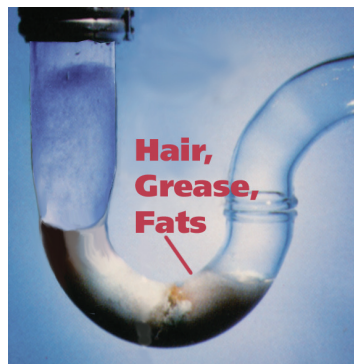

DRAIN-LAX liquefies grease, fats, hair, cloth and soap.

- Keeps drains open and operating properly at all times
- Eliminates the mess and expense of opening clogged drains
- Helps eliminate odors that are due to clogged drains
- Harmless to pipes, contains no acid

For Preventive Maintenance: Use daily or weekly depending upon the activity and condition of the drain. Regular use prevents buildup of hair, fats and soap scum. Keeps drains free of the soils which cause stoppages and bad odors.

More Effective than Acids on Food Grease & Oil

Please read label for directions and cautions before use.
